Look forward to next week for an online survey where you can choose your most wanted Bible topics to be added to our curriculum for the year.
- ◆ **August Financial Report:** We remain in a good financial position, and we want you all to know that we are truly grateful for the support that you bring to our Shepherd community. We also want you to know that we count on your financial offerings to gird up and support all of the ministries that we offer through Shepherd. As we look ahead to 2025, our budget will necessitate the inclusion of higher property insurance premiums and higher mortgage payments, due to an ARM that will be adjusting. We are hoping for our collective offerings to be bolstered in the coming months so that we can end 2024 in a strong position. Thank you!
